LIBRARY IS

Students at Newark High School went to the library or the resource center in 104E for many different reasons. Some people went with good intentions, and some with intentions other than what the library staff expected or desired.

People went to find a book or magazine, for research, and to look up information.

They also went to meet their boyfriend or girlfriend. Some went to create disturbances, to get out of study halls, and for a myriad of other reasons.

Approximately 275 people per day used the library this year. Around 125 books a day were checked out by NHS'ers. More than 200 books were ripped off during the year adding to the library's problems. The biggest problem, however, according to head librarian Laura Campbell is "the need for more room." T. Newstrand

RIPPED OFF

OWE I RAISES FUNDS

Students active in OWE I went to school half a day and worked the remainder of the day. Some of the work stations included Al's Meat Market, Don Maxwell, Ponderosa, and Tammy's Pizza. The students' employers were rewarded by a banquet at the end of the year for their cooperation with the school

system.

The club's outstanding activity of the year was their good-will attempt to raise money for the victims of the earthquake in Guatemala this past year. \$360.34 was collected from the generous students at Newark High. C. Robinson.

BUSH PUSH HAS GREATEST YEAR

Have you ever walked along the sidewalk, minding your own business and suddenly found yourself sitting in the middle of the bushes? If so, these pictures should look familiar. Why do people push others in the bushes?

Sometimes it's for fun, sometimes because they don't like certain people, and sometimes to get others out of their way. What is it like getting pushed in the bushes? Some people say it is sticky and very embarrass-

sing. In these pictures senior Hope Million found herself suddenly being pushed into the bushes. Whether the bushes were sticky or not, she sat there covering her face because of embarrassment. K. Hunter

"THAT'S ENTERTAIN

The N.H.S. football team gave the Homecoming weekend a tremendous start with a 30-3 victory over Grove City on Friday, October 10. Mary Jo Michener was crowned queen and Jody Huffman, king, before the game by Student Council President Rex Williams. The court consisted of: Kim Flowers, Lea Pennington, Terri Bakos, and Bobbi Barrett. In the float competition, the senior class took first place with the sophomore class taking second, and the juniors, third.

The Student Council-sponsored dance was held the next evening in the gymnasium with the theme "THAT'S ENTERTAINMENT". Jimmy Lawelyn provided the dance music. The dance ended late that evening bringing to an end the homecoming ceremonies and the beginning of many fond memories for years to come. B. Applegate

ARE YOU

Those four lucky people who were chosen to be regulars on the "In the Know" team found that they were not so lucky when it was time for them to tell their life history in thirty seconds during half-time on the show. "When I found myself staring at that camera and knowing that there must have been thousands of people staring at

me, my mind went blank," commented team member Tim Smith. Name the thirty-fourth state to enter the Union. Who was the twenty-eighth President of the United States? Who is the current House Majority leader? All these questions and many more were flashing at Dave Adam, Rex Williams, Jeff Fedderly, and

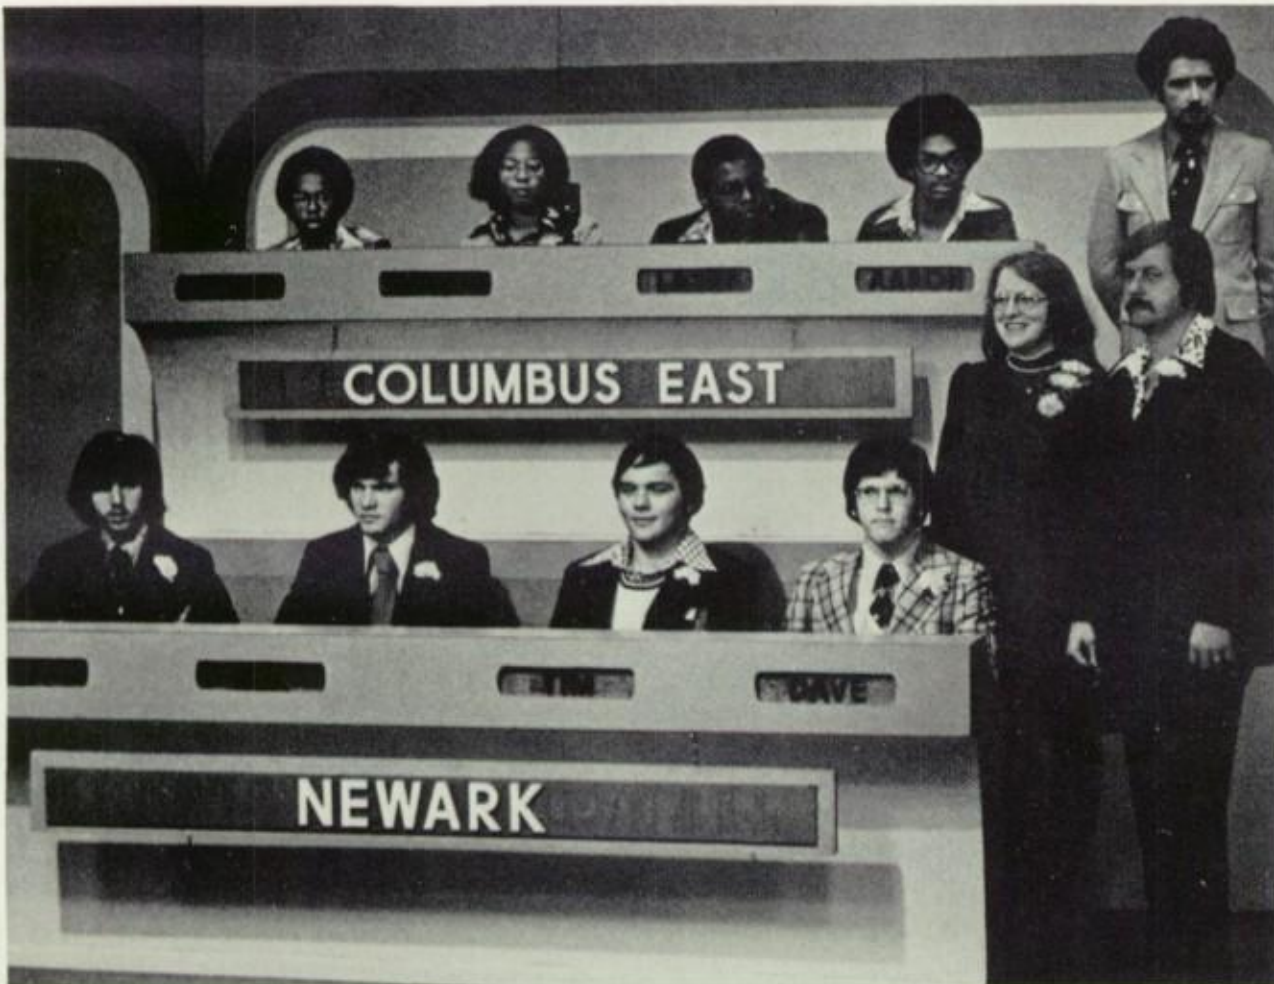

Tim Smith, NHS's "In the Know" team. Dave took a stab at one question. Rex bombed a twenty pointer, but Newark won the first game against Columbus Northland; however, they lost the second game to Columbus East. With the loss of four seniors, it will be a "brand new game" next year. L. Luikart

Dave Adam listens attentively to host Hunt Carlisle. Host Hunt Carlisle takes time to straighten his tie before the start of one of Central Ohio's most successful shows. Jeff Fedderly, Rex Williams, Tim Smith, and

Dave Adam, team regulars, appear with their advisers, Kathy Guirrerri and Ken Johnston. Also pictured is the winning Columbus East team. Jeff Fedderly demonstrates "Buddha" during half-time.

IS FIVE ENOUGH?

Five minutes — talk to boyfriend or girlfriend;
 Four minutes — hurry to class, pick up books;
 Three minutes — go to locker, grab a drink of water;
 Two minutes — time to talk, go to bathroom;
 One minute — grab a kiss, head for class, relax on the patio;
 No time — oh, no! Tardy again!

OLIVER: THE BOY

The lights went down, the audience became quiet, the curtain rose, the play began and ended as another success for the drama and music departments. "Oliver," directed by Thomas Humphrey and Lulu Vaia, was NHS's annual musical treat. Oliver made the statement early in the musical to Mr. Bumble, "Sir, I want some more." The play then became a fast moving story about an orphan boy who wanted more — more out of life. After leaving the orphanage, meeting Fagin, the Artful Dodger, Nancy and the gang, he finally achieved a life that suited him.

WHO WANTS MORE

Bill Sykes sings "My Name."
The "Oliver" cast takes a well-deserved curtain call.
Mrs. Corney and Mr. Bumble sing "I Shall Scream."
Stealing is a good way of life says crafty Fagin.
The Artful Dodger tells Oliver to consider himself at home.
Bet, Fagin, and Nancy describe their life in the song "It's a Good Life."
After a threat is made to Mr. Bumble by Mr. Sowerberry, Charlotte and Mrs. Sowerberry sing "That's Your Funeral."
The crafty Fagin entices all about him.

Girls' volleyball at Newark High School continued to grow this past season. The varsity won the Sectional Tournament against Bishop Waterson by scores of 15-5, 15-12, 13-15, 15-3, and 15-10. In the district tournaments they were defeated by Hilliard and also lost the COL to Lancaster. Outstanding seniors were Lynn Dougherty, Kim Norton, and junior Kathy Hannahs.

The up and coming junior varsity completed a season record of seven wins and two losses. With the loss of five seniors, a rebuilding process has begun for Coach Pumpelly. M. Sherman

THAT'S AMORE

A little bit of the "old country," with a humorous twist, came to NHS in February. The drama department presented "Scapino," a lighthearted slapstick comedy set in a restaurant in a seaport in Naples. It starred Rich LaVerghetta and Paul Bridge as Scapino and Sylvestro, the two crafty guardians of the lovesick Ottavio and Leandro, played by Rob McClellon and Greg Speaks, who want to marry

the lovely Giacenta and Zerbinette, played by Gale Jenkins and Cathy Brown.

This goes on even against the wishes of the boys' wealthy fathers Geronte and Argante, played by Jim Owen and Bob Weimers. The show succeeded as it played before two near-capacity crowds and during the Ohio State Thespian Conference held at NHS. M. Bethards

EXAMINE EXAMS

Exams. How did you feel about them? Here are a few comments that Newark High School students and teachers made: "Yuch!", "Nerve racking!", "Not worth the time.", "They don't prove anything.", "They prove how well you learn." Mrs. Burkett said, "I don't think we should have them. They are outmoded." Mr. Wenner thought it would be better if all students had the

choice of taking the exams if they had an A or B average, instead of excusing some people. Mr. Nabors's opinion was that testing is an important part of teaching but it can be done in a regular classroom situation. There is no need to set extra days aside for exams that count a lot of your grade. Despite all the complaints, and with the exception of seniors, exams continued. K. Miller

The Reveille staff spent a great deal of time putting together this year's yearbook. It took photographers, typists, writers, and editors to put together the annual Reveille that hundreds of Newark High School students look forward to each year. "It wouldn't have been possible without the complete dedication of

the Staff," commented Jim Wenner, staff advisor.

Besides working on the Reveille, the staff found time to have its annual banquet. Awards were given to staff members who were especially valuable during the school year. Selected for Quill & Scroll, the International Honorary Society for High School

Like many other clubs this year, the French Club started out by selling candy bars to earn money. This money went for the Halloween party and other activities. They took advantage of the spirit of giving around Christmas and collected food and gifts, which they sent to needy fami-

lies. The French Club even started a new holiday, Crepe Day. On this day they shared their Crepe recipe of flour, eggs, and milk with the rest of the French students. Throughout the year, they had two quests speakers: Alain Charneau, from Gaudelupé, and Marc Millius, from Strasbourg.

As the year came to an end, the senior class French 4 had a French breakfast May 26. Next year Mrs. Schwartz would like to see more students join the French Club. D. Hampshire

LATIN BANQUET ENDS YEAR

The highlight of the Latin Club last year was the banquet. They ate food that the Romans would have eaten such as raisins, ham, peanuts, olives, eggs, and carrots. The club also had car washes to earn money. L. Luikart

BEST WISHES TO THE CLASS OF '76

HANG 'EM HIGH

When you were a sophomore, did you have a fear of being hung on the flag pole? If so, you were probably one of the 780 who did. It has always been a tradition for seniors to hang some unsuspecting sophomore on the hook of

the flag pole; however, do to some faculty member removing the hook from the pole, its been a little hard to fulfill this long-standing tradition. M. Yakuboff

IFS OFFERS FUN

During 1975-1976 Newark High School was involved with the above three field trips. The Field Ecology trip to Alaska was a 12,000 mile sojourn through Canada, Alaska, and the northern United States. This 52 day course emphasized field ecology for which the students received one unit of high school science credit. The trip to Andros Island in the Bahamas was a two week non-credit introduction to scuba diving, skin diving, and marine biology. The weekend trip to Carter Caves in Kentucky was designed to introduce students to the principles of spelunking (caving). Newark High School students have traveled, camped, and studied in almost every national park in the United States and Canada. The teachers who plan and conduct these extended field trips feel that students learn to appreciate nature and the wilderness by becoming an intricate part of it. If you like the out-of-doors, camping, hiking, and studying ecology, then this may be your kind of thing. If you would like to become a part of our growing group, see Mr. Steve Holekamp or Mr. Larry Roberts.

KIDD

What did you say when it rained or snowed? NHS students uttered the following while dashing from building to building in the rain or slipping and sliding from building to building

in the snow and slush — no comment, terrible, watch out for the lightning, don't get wet, there goes my hair, there goes my day, they should call off school, let's throw snowballs,

I forgot my umbrella, it's fun watching people fall in the snow, putting snow down people's backs, good grief! M. Claggett.

IS PARKING A PROBLEM?

The NHS student parking lot had begun to be a big problem for a lot of students, teachers, and for the people who live near the campus. For several years students were plagued with the problem of parking so a fast exit can be made when school is over. This age old problem was partially solved in February, 1976 as the result of a new parking lot with enough room to park 100 to 150 cars if parked properly. The age old complaints about student parking lots were once again heard, however — where do I park?, students don't park straight?, what will be ripped off today?, will my car be ripped off?, who will try to bum a ride home?, maybe I should ride with someone else?, how will I explain a dented fender?, and maybe it would be easier to walk. GOOD LUCK, SENIORS!

THAN A SANDWICH

HERO, not to be confused with the sandwich of the same name, stood for Home Economics Related Occupations, which helped to make more people aware of the home economics occupations open to them after graduation. The clubs have held meetings every month to look into the programs and work projects that they do. They also helped the bicentennial committee with the corn stalk dolls and the quilting bee. The fabric class made Christmas stockings and school pendants. The clubs also helped with food for the needy. You can see that HERO is definitely more than a sandwich. T. Green

FLAG CORPS ADDS

The Newark High School Flag Corps was a new addition to our school's marching band. The twenty girls, coached by Mrs. Carole Chamberlain, were kept busy during marching season by attending football games, parades, and lots of practices. They met on Tuesday evenings and Wednesday afternoons for practice. Before football season began, they attended Flag Corps Camp at Eastern Kentucky University, Lexington, Kentucky, and Band Camp at Lutheran Memorial Camp, Fulton, Ohio. When the girls were asked about the problems they encountered, the answers were few and varied: "wind made it hard to hold the flags," "we had to sell items before we went to camp," "we were a little unorganized," and "we were always getting compared to the Wildcatettes." Next year among the improvements are getting professional flag-twirlers to help coach so that the routines will be more intricate and having more members so that there will be more alternates. K. Miller

'KITTENS SCRAP

The Newark Junior Varsity football team ended the season with a 7-1 record. This season marked the first loss in two consecutive years and gave the Wildkittens a 16-1 record over this period.

The only loss of the season came at the hands of the Zanesville Blue Imps by a score of 28-27. It was the last game of the season.

Outstanding players on the offensive team were: Shawn Swigart, Bob Glover, Corney Cherry, and Steve Sundberg. Outstanding players for the defensive squad were Jeff Appling and Steve Sundberg.

Carrying their 7-1 record into the varsity performance next year, it appears like the 'Cats will be back in 1977. C. Roderick

FOR WINNING SEASON

UP, DOWN, UP 2, DOWN

Do you remember what it was like in gym class? Got dressed. Relaxed. Found your number. Did your exercises. Groaned! Played volleyball, badminton, baseball. Wrestled. Grunt! Lifted weights. Ugh! Shot the bow and arrows for archery practice. Changed clothes. Forgot about a shower. All that for $\frac{1}{4}$ credit. I've had it! Sweat! Groan! Groan!!! T. Newstrand.

BIO-LABBIES HELP

Each year there are approximately twenty-five students who serve as Bio-labbies. They did many different things from passing out and grading tests to helping students dissect frogs.

They also went on biology-related field trips. To become a bio-labby, the student must have completed biology and been selected by the teacher, D. Harvey

NEWARK, OHIO 43055

Did you ever wonder what DECA means? DECA stood for Distributive Education Clubs of America. This organization offered its participants social activities, by providing competitions, sales projects, and fellowship. The students participating in this program, who stay with it for two years, received a major in Distributive Education. During the first year one credit was given; two credits were given in the second year, one credit for the class itself plus one additional credit for actual on-the-job training.

There were a total of 25 marketing areas available to choose from ranging from banking to mortuary science. Some places of employment included were: The Park National Bank, Carroll's, Kline's, Criss Bros. Funeral Home, and Western Pancake House. No background was required except for willingness to pursue a career in marketing and distribution of all products and services.

Throughout the year DECA participated in many activities, but they felt that their outstanding activity of the year was their float in the United Appeal Parade. Besides the activities there were a number of competitions held throughout the year starting with the District, state, and finally National competitions. DECA's performance in the District enabled them to take 1st place as Chapter of the Year. In state competition, Roger Thomas, placed second in the field of Public Speaking. This was a first for NHS in placing in the state competition. C. Robinson

FEED YOUR BODY

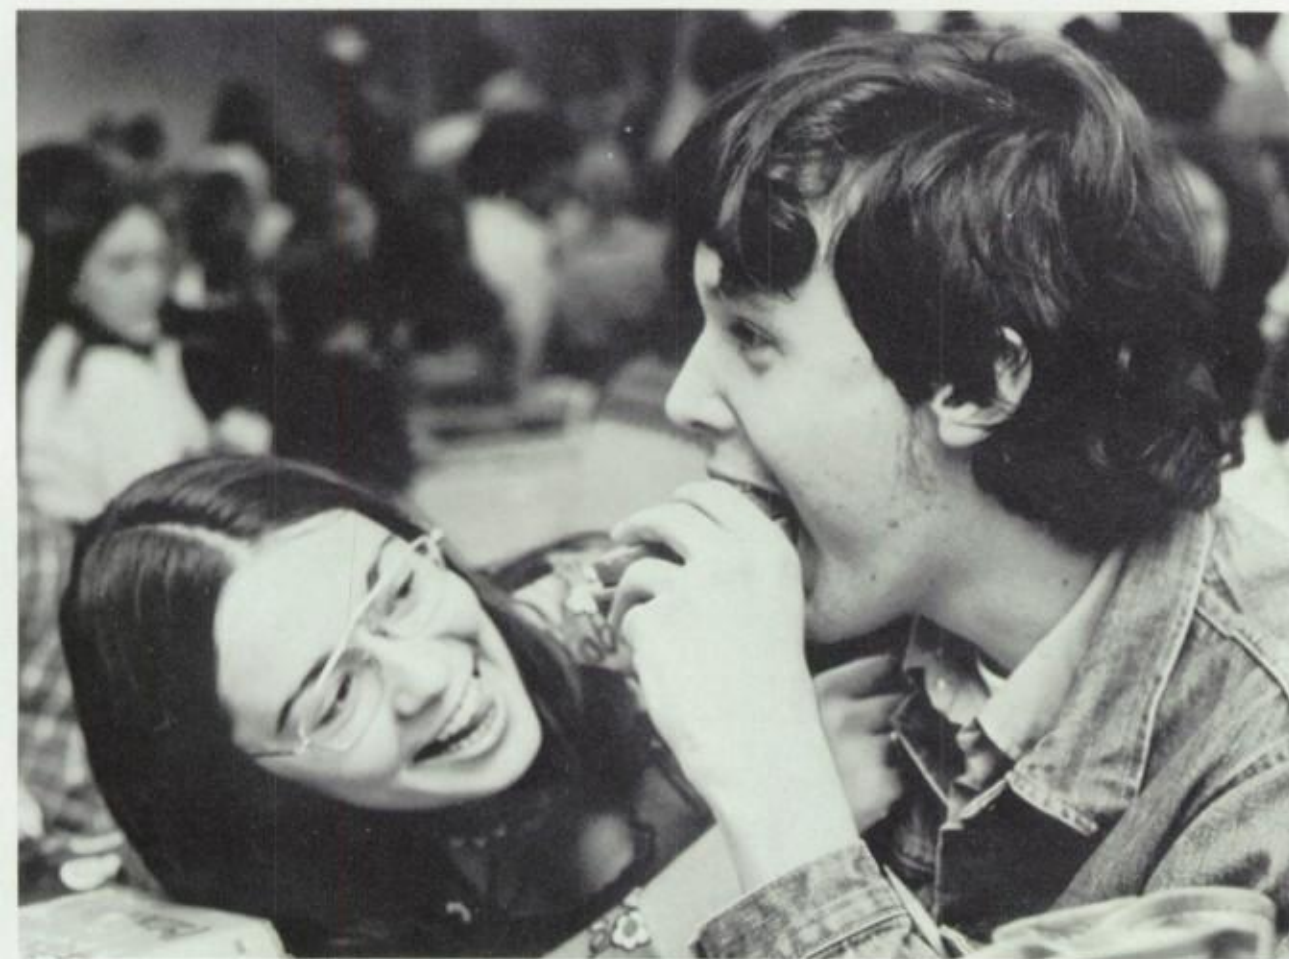

Each day of the past school year 120 hotdogs, 20 gallons of Pepsi, and 20 gallons of Coke were sold in the two snack bars.

The women cooking the lunches started at 7:00 each morning and had some of the food ready by 9:00. Mrs. Swan, head of food service, thought up the lunches and followed the state requirements such as, $\frac{1}{2}$ pint milk, protein-rich foods, vegetables and fruits, one slice of wholegrain or enriched bread.

Of course, inflation hit the school lunches like it hit everything else. Lunches were smaller and pastries were not served unless extra money was found. In spite of this inflation, students continued to eat lunches while complaining about the food. P. Greissing

The NHS football team chalked up its most impressive winning season in many, many years over Central Ohio League and non-league opponents. Under the leadership of head coach Paul "Hoss" Starr, his assistants, and the hard-working Wildcat footballers the team finished with a perfect 10-0 season. NHS fans will have to go back to the mid 1930's for the last winning season. What can you say about such a season? The 1976 Rev-ille thinks the scores and accomplishments speak for themselves. D. Fohl

AS EASY AS IT LOOKS

Becoming a cheerleader isn't necessarily as easy as it might have looked. First cuts are the big hurdle for most girls who tryout. To compete the girls must do the splits, a cartwheel, three or four jumps, and, of course, cheer. The final tryouts involved all of the above plus a jump off the mini-trampoline.

Having been selected a cheerleader doesn't mean the end of work. Continuous practices plus the planned events kept everyone busy. Cheerleading, like all activities, required money, and this year cheerleaders sold pins, held car washes, and sold tickets at reserve games.

In additions, they attended a cheerleading clinic at Ohio State University and a cheerleading camp at Otterbein College. T. Green

If you happen to walk through "K" building during 10th and 11th mod and hear a flourish of trumpets followed by a crash of cymbals, don't panic because it's the NHS band practicing. What have they done that's so great? Well, the band has come a long way during this past year. The marching band entertained the fans at football games with its fancy maneuvers and bright tunes. A big highlight of the half-time show was the new tradition of script "Nerk" complete with a tuba to dot the missing I! In marching competition, the band placed third at Pickerington and at New Philadelphia.

With the close of marching season, concert season started. Concert performances included the annual Christmas and Spring concerts and after hours of hard practicing, District Contest. This year the band received a superior rating which qualified them for state contest, where they received an excellent rating.

Besides the marching and concert bands are two smaller branches of the band, the stage band and the pep band. The stage band performed at junior high school dances, the adult graduation ceremonies and added sparkle to the Spring concert with such songs as "Feelings," and "Tribute to the Duke."

Now for the Pep band. This small group lifted the spirits of many fans at basketball games and kept things alive. Songs like "Hang on Sloopy" and "Sweet Georgia Brown" brought fans to their feet. S. Lovelady

Ngoc Bich Phan

NAMESE STUDENTS

Five Vietnamese students attended Newark High School last year. The Reville interviewed them about Vietnam, the United States, and the changes they have made since they have come to Newark.

Reville: What kind of schooling did you have in Vietnam? Nga and Ngoc: "We went to a public school, which is actually harder to get into than a private school. In 5th grade we had to take a test to get into public high school." Huy: "I went to Music School at night and public school during the day." Thong: "I went to a French School for five years, then public school for three years."

Reville: What are your plans for the future? Tao: "I would like to get a job after school, perhaps in photography or woodworking." Ngoc: "I want to go to O.S.U. and study architecture." Nga: "I want to go to college and become either a biologist, doctor, or geometry teacher." Huy: "If possible, I will go to college; if not, I will be a wood craftsman, making musical instruments." Thong: "I would like to go to college."

Reville: Did you have any English training before you came here? Tao: "I had four years of English in high school." Ngoc: "One year." Nga: "No, I didn't." Huy: "Four years in high school." Thong: "One year in

high school.

Reville: What is most difficult about the United States, Newark?

Tao: "The English language." Ngoc and Nga: "English and understanding the way people act. Americans act more spontaneously, more freely, and are not as restrained as Vietnamese. Vietnamese are more polite. Americans are always in a hurry." Huy: "The English language and getting a job." Thong: "English."

Reville: What do you like about Newark? Newark High?, The United States? Tao: "The people are friendly. I like the buildings at N.H.S. In America there is no war."

Nga: "I like the hills, trees, and the four seasons are beautiful. At N.H.S., I like the teachers." Ngoc: "Newark is not too big and not too small. The people are very friendly. I like the teachers who help us to learn and the students are nice to us. I want to thank the American government for letting me come here where there is no war." Thong: "The country is beautiful. I like everything at N.H.S. I like the weather in America."

Reville: How has your life changed since coming here? Tao: "We can no longer see our families. I get homesick." Ngoc: "Everything has changed, my whole life, the place I live, friends, teachers, language, and

school." Nga: "Everything has changed. Language, school, traffic, cars, food, all have changed."

Reville: How do the following differ from those in Vietnam? Sports: Nga:

"In Vietnam we have no football, baseball, or hockey. We play a lot of ping-pong and badminton." Food:

Tao: "In Vietnam we ate rice three times a day. The American food I like is meatloaf, hotdogs, pizza, spaghetti, and applesauce." Ngoc and

Nga: "We eat Vietnamese food here. We have many spices that we can't

buy here so we have to go to Columbus to get them. We eat a lot of vegetables. In Vietnam we ate more

rice and vegetables; we eat French bread — not American. We like everything except applesauce." Clothing Styles: Ngoc and Nga: "The

clothes are the same here as in Vietnam, although we wore uniforms to school and we had the native dress of Vietnam. Music: Tao: "Music is

the same. Chinese, French, and American music are all popular in Vietnam. Words are in all three languages. Schooling: Ngoc and Nga:

"In Vietnam we don't have the credits. We have a test each month and two times a year. We don't have letter

grades but instead we have class places like 1st, 2nd, etc. D. Harvey, K. Miller

WILDCATETTES ENLIVEN

Who were the Wildcatettes? Well, everyone knew it obviously took lots of practice, but did you know the Wildcatettes learned a great deal when they went to one band camp and two drill camps. At New Philadelphia, they won first prize for the best drill team. In addition, they won second prize for the best drill team in a parade. To get money for the camps and the new uniforms, they had a car wash, sold candles, candy bars, hats and mittens. Also, they had a tag day in August. Their performances made N.H.S.'s halftime activities at football and basketball games an eagerly awaited time period. Hats off, Wildcatettes! S. Gleeson

COMPENDIUM ACQUIRES NEW LEADER

This year the Compendium class managed to put out six issues of the newspaper. In publishing six issues the staff was lead by first year advisor Mrs. Judith Taylor. The class started out from scratch while new qualified staff members were added the second semester. The staff continued to issue the magazine format instead of the traditional newspaper style and sold for a mere 25 cents.

Many hours on Saturdays and after school were spent preparing the material for each issue to meet each deadline. B. Applegate

NHS SWIMMERS FINISH

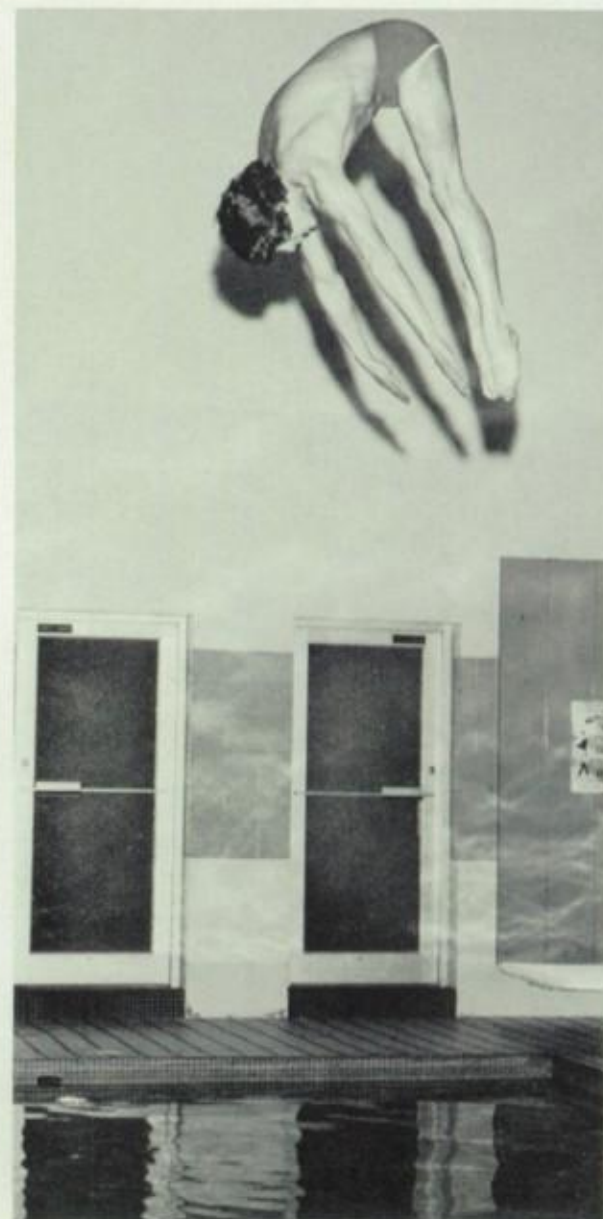

Before the season opened the schedule of fifteen dual meets looked fairly tough before reaching the C.O.L. meet and the District. With two meets canceled because of bad roads, the team posted a very respectable 8-5 record.

The most exciting meet was a one point victory over Zanesville. The Blue Devils lead the entire meet even though we had outstanding performances from seniors Tim Binckley, Bruce Hannum, Cindy Saunders, and Steve Shadwick, juniors Chip Hammack, Mark Justice, and Reagan Minser. Trailing by three points going into the last event, a first and a third were needed to win. The swimmers knew what they had to do, and they did it.

HOW SWEET IT WAS!

Although Newark finished third in the C.O.L. Meet, Reagan Minser won the diving championship. Reagan also placed in the District Meet and took part in the State Meet.

Another outstanding meet this past season was the first encounter with Bexley. There was no way to know

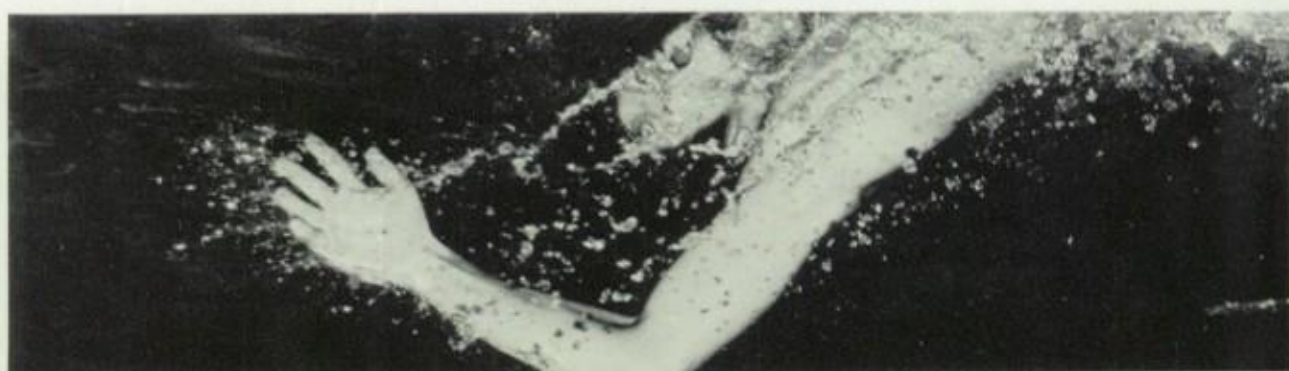

8-5; MINSER TAKES

what to expect, but the team was ready. There was a certain electricity in the air, and it built as the swimmers took first place after first place. The 200 yard relay team of Hammack, Justice, Shadwick, and Hannum started things off. Tim Binckley followed with a first in the 200 yard freestyle, then Chip Hammack in the 200 yard individual medley, Bruce Hannum the 50 yard freestyle, Reagan Minser in diving, Steve Shadwick in the 100 yard butterfly, Hannum in the 100 yard freestyle, Cindy Saunders in the 500 yard freestyle, Hammack in the 100 yard backstroke and Mark Justice in the 100 yard breaststroke. Ten firsts out

of eleven events was the record. We lost the last relay by three seconds. Among the NHS seniors were Andi Allen — relay team, 200 I.M., 100 backstroke, Tim Binckley — 200 freestyle, 100 freestyle, 100 butterfly, relay teams, Bruce Hannum — relay team, 200 I.M., 50 freestyle, 100 freestyle, Cheryl Hicks — relay team and 500 yard freestyle, Karen Reid — relay team and 100 yard butterfly, Cindy Saunders — 200 freestyle, 500 freestyle, and relay team, and Steve Shadwick — relay teams and 100 yard butterfly. The juniors were Mike Cline — relay teams, 100 yard butterfly, Chip Hammack — relay teams, 200 I.M., 50 freestyle, 100 yard backstroke, Annette Hall — 100 yard backstroke, Mark Justice — relay team, 50 freestyle, and 100 yard breaststroke, Reagan Minser — relay team and diving, Holly Richardson — 100 yard breaststroke, relay team, and Mark Redman — diver. The sophomores included Craig Czepyha — relay team, 50 yard freestyle, 100 yard backstroke, Charlie Braunbeck — relay teams, 100 yard freestyle, Nancy Price — relay team, 200 I.M., 100 yard breaststroke, John Ponti — relay teams, 100 yard freestyle, Mark Ross — relay teams, 100 yard breaststroke, Tom Schimdt — relay teams, 50 freestyle, 100 yard freestyle, and Larry Lowendick — manager. Awards: 1st year — LETTER — Andi Allen, Charlie Braunbeck, Mike Cline, Craig Czepyha, Nancy Price, John Ponti, Karen Reid, Cindy Saunders, and Tom Schmidt. 2nd year — PLAQUE — Bruce Hannum, Chip Hammack, Cheryl Hicks, Mark Justice, and Reagan Minser. 3rd year — PLAQUE — Tim Binckley and Steve Shadwick. "Most Improved Swimmer Trophy" awarded to Charlie Braunbeck. "Most Valuable Trophy" awarded to Chip Hammack and Reagan Minser. "C.O.L. Championship Trophy" awarded to Reagan Minser.

Teleia Settles, Paul Jaworski, Joe Uffner, Barch Stricker, Becky Pfeffer, Scott Oiler, Tim Austin, Valerie Drake, Bill Walters, Abbie Mitchell.

Last year's orchestra was the best ever. Three members participated in the All-State Orchestra at Akron in January, making it the first time ever that students from Newark have performed in that elite group. Those students were Abbie Mitchell — string bass, Joe Uffner — violin, and Bill Walters — string bass. The orchestra combined with the

choir in presenting Handel's "Messiah" in December. In February, while working around many snow days, the orchestra received an "excellent" rating in Class "A" competition in Springfield. That was the orchestra's first time ever to enter at the Class "A" level. April and May brought several performances in the elementa-

ry and junior high schools as well as the Spring Concert and Baccalaureate.

Barb Simpson received the National School Orchestra award given each year to the outstanding orchestra member. Congratulations to the Orchestra and Barb for an outstanding year. K. Miller

OWE III — VICA ESTABLISH GOALS

The main purpose of the OWE III was to prepare students for work and to help them establish their goals in life. This OWE program differed from the other two for it was "VICA" affiliated. A total of 25 students were involved.

OWE III — VICA was responsible for the Ugly Guy Contest and the Wildcat Photo Buttons you heard about last year on campus.

Success through work, which was paid employment, an alternative to the regular school programs were the goals of these programs. C. Robinson

I.A. CLUB KEEPS BUSY

The club this year had meetings twice a month on the first and third Mondays. Officers were elected in early October and began learning their responsibilities. They all attended the officers workshop at Mt. Gilead High School in November to improve their leadership abilities.

Plans to attend and participate in the Ohio Student Industrial Arts Club Annual conference were started early in January. Local contests were held in the Safety Poster class and others practiced and studied for technical speaking, writing and researching papers.

Eight students attended the contests at Scot's Inn, Springfield, Ohio, along with Mr. Tim Taylor and Mr. Charles Earhart. Greg Chesser placed second in the state for the general knowledge contest and Jody Lynn Foster placed second in technical speaking. Following the success and fellowship at the state meeting five of our club members made plans to go to Des Moines, Iowa, for the American Industrial Arts Student Association. They did car washing and

waxing along with bake sales to raise money for expenses.

Tom Appling, our President, was elected a delegate to the national to represent Ohio at the business meetings. Jim Brucker from Mt. Gilead was the other elected delegate, and he rode out with our students. Ohio was selected as the third best state club and Mr. Earhart was presented a plaque as one the Outstanding Advisors in the United States. There are over 6,000 members and over 400 advisors in the thirty states represented.

The club had several evening workshops where each member could make something new and different that is not a part of their regular classes. One industrial tour was made this year through Owens Corning Fiberglas in Newark.

SECRETARIES OFFER SCHOLARSHIP

The Future Secretaries Association held a meeting the second Monday of every month. There were quite a lot of new members this past year, so the secretaries started the year off right with a get-acquainted hayride and cookout afterwards. The new members and officers were then initiated at a formal affair.

Newark High's chapter of Future Secretaries were tied in with the National Secretaries Association and this past year a scholarship was awarded to Fran Vanover for her fine accomplishments in the three sections of the test. All were organized by National Secretaries Association.

The last meeting of the year was the annual banquet held in May at Dawes Arboretum. C. Robinson.

THEA: They are selfish.; ANA: They offered me "pot".; ALAIN: Too much T.V.; DANIELA: T.V. watching, less art and classical music.; TORSTEN: High crime rates.; HAKAN: Bad communications (bus), the religion.; JORG: Hurrying at meals.

REVEILLE: What do you like about American food?

ROBERTO: Most of the American food is cold, compared with the Mexican food.; THEA: Jello with fruit.; ANA: Hamburgers.; ALAIN: Love meat, sloppy joes, and pizza.; DANIELA: It is very sweet and uncomplicated, pumpkin pie.; TORSTEN: Kentucky Fried Chicken, cake, and strawberry jello.; HAKAN: Fast food cook, steaks.; JORG: Variety and steaks.; WALTER: Like hamburger and hot dogs as much as wiener schnitzel.

REVEILLE: What do you dislike about American food?

THEA: Pizza and hotdogs; ANA: Soup in a can.; ALAIN: Bread and cornbread.; DANIELA: It's unhealthy hamburger.; TORSTEN: Too many hot dogs and hamburgers.; HAKAN: Green beans; JORG: Root beer and sweet potatoes.

REVEILLE: What do you like about American teenagers?

ROBERTO: Most of the teenagers I have known are smart.; ANA: The way they dress.; DANIELA: Through school, good relations with every social class, have a good sense of humor, and easy.; TORSTEN: Open-minded, very friendly and helpful to foreign people.; HAKAN: Nice. Easy to talk to.; JORG: No prejudices and natural.; WALTER: They are very free and independent.

REVEILLE: What do you dislike about American teenagers?

ROBERTO: A lot of teenagers drink or smoke.; THEA: They are all in couples and they don't have time to really make new friends.; ANA: Skipping; ALAIN: They don't know how to spend their time.; DANIELA: Too reserved, not too open-minded.; TORSTEN: Lack of knowledge about Europe.; HAKAN: Some hard to be friends to.; JORG: Sometimes a little silly.

REVEILLE: How does your school back home differ from NHS?

ROBERTO: The rules are easier, the hours to attend school are less, and the participation in activities of the pupils is less.; THEA: We have no time to go to concerts. We have less entertaining things in school, but more in the city, we have to study a lot and have no study halls.; ANA: School hours only from 7:30 a.m. to 12:00 noon, and high school students are required to take at least seven subjects.; ALAIN: The level is higher, and there is more freedom about behavior. Harder on homework.; DANIELA: Smaller area, all the time in the same classroom with same people. Only school in the morning. Harder. Lessons are required. Examinations at the end are very hard and ask for everything that you learned in the last years.; TORSTEN: Our school is smaller, approximately 800 students. Only one building.; HAKAN:

Older, bigger building, and small campus.; JORG: Less school but more homework. More emphasis on accomplishment. Smaller music department and have a lot of activities.; WALTER: The standard is a lot higher and you cannot choose your own subjects.

REVEILLE: How does entertainment differ?

ROBERTO: There isn't too much difference.; THEA: There are theaters. We don't have T.V. which can be put on any-

time of the day. We bike a lot and play games. Dating is seldom in high school, but like here in college.; ANA: First of all, we have adequate places to go and we do not need drugs to have fun.; ALAIN: It's most of the time inside a house.; DANIELA: We have more different clubs, and everything is more outside.; TORSTEN: More public entertainment.; HAKAN: More discoteques in the towns.; JORG: We have more concerts and theater plays. We have more rock concerts, T.V., and church activities.; WALTER: We are more social. We sit together, drink beer, and have fun, but that does not mean we get drunk.

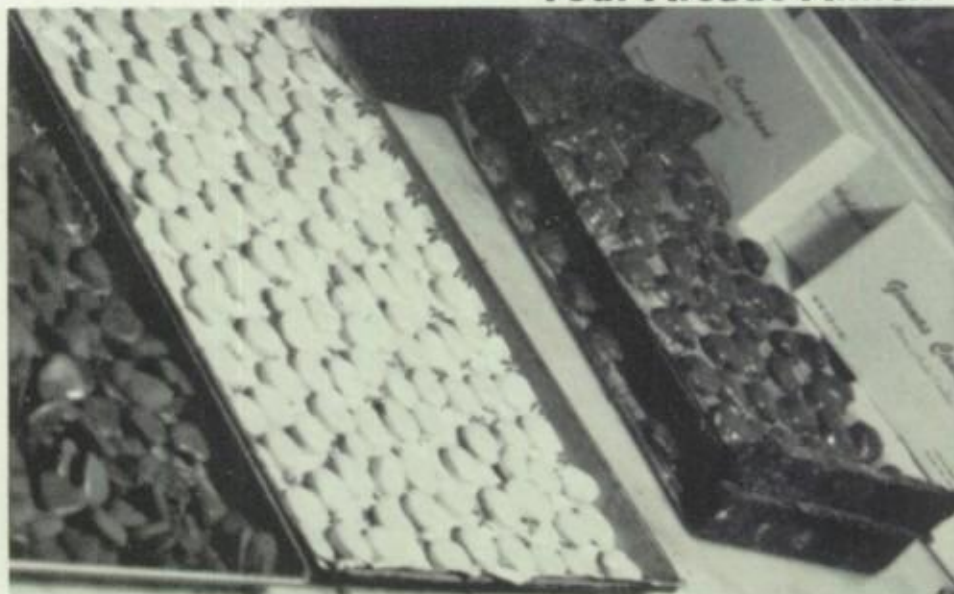

REVEILLE: What high school sports do you have that we do not have?

ROBERTO: Football-soccer.; ANA: Soccer, handball, and jazz gymnastics.; TORSTEN: Soccer and handball.; HAKAN: Soccer, ice hockey, bandy.; JORG: Soccer and handball.; WALTER: Soccer and handball.

Address back home: ROBERTO: Cedro # 2101 col. Granjas, Chihuahua, Chih. Mexico; THEA: Oosteindseweg 45, Bergschenhoek (2-H), Netherlands; ANA: Rua Japura 302-Centro, Manaus-Amazonas-69000, Brazil; ALAIN: 131 Rue de La Convention, 75015 Paris France; DANIELA: Grammstr. 10, 8000 Munich 40, West-Germany; TORSTEN: Sudhoffstrasse: 2g, 56 Wuppertal-2, West-Germany; HAKAN: Hamiltonvagen 47, S-56202 Taberg, Sweden; JORG: 31 Alle, Kohlmeystraße 28, West-Germany; WALTER: 8261 Sinabelkirchen 96, Austria.

KEY CLUBBERS HELP

Last year the Key Club completed many projects. Giving out free coffee over Thanksgiving weekend to travelers at the I 70 rest area was one good example. They also worked at Kiwanis Pancake Day and Fish Fry, prepared Camp O'Bannon for summer opening, worked as escorts for Starlite Children going to the Shrine Circus, and were also ushers at football and basketball games.

The Future Homemakers of America started the year out by selling cook-books to finance their plans for the coming year.

The girls, under the direction of Miss Pam Stockberger and Miss Patricia Smith, participated in the County Rallies, the District Rally, and the State Convention held in Columbus. In addition regular monthly meetings were held. In early August, the girls prepared a booth at the Hartford Fair and modeled their garments in the Hartford Style Show to end up another busy year.

GYMNASTIC TEAM SHOWS PROMISE

Martin Music Center

SOUTHGATE

For the first time in history, N.H.S. had a gymnastics team. Even though the team was small in number and new, they had a promising season. Diane Hurdiss was best all-around gymnast being the only girl in Licking County to place in District competition. The record for the overall season was 4-5. Coaching this new team was Mrs. Dawn Worley. B. Applegate.

SENIOR ASSEMBLY

The 1976 Senior Assembly brought the "Johnny Carson Show" live from the NHS Auditorium. Dave Adam portrayed Johnny while Tom Weichel played Ed, Johnny's side kick. The assembly featured several talents such as Bev Veits singing "I Am Woman" accompanied by Brenda Patterson while Bob Wiemers sang a selection from Chicago with the "NBC Orchestra" backing him.

Other moments of laughter were spent when eleven senior girls and Dave Ballengee told the audience in a song the twelve "Don'ts" of school.

Six lettermen portrayed how the 1975-76 cheerleaders were all "buddies" with their before the game dressing room language. Other talents came near the end featuring the 1975-1976 senior wildcattes doing a 50's routine to "Rock Around the Clock."

All of this and much more concluded the May 7 showing of the "Tonight Show" and another great senior assembly for the graduating class of '76. B. Applegate
